The Persianissimo Iranian Contemporary Poster Exhibition, will be on display at Tirgan Iranian Festival 2011 in Toronto, Canada. The exhibition curated by Majid Abbasi includes 34 Iranian designers + 10 honorary Iranian designers. Some of the selected designers are top international award winners - two of whom have received Icoграда lifetime achievement awards and three of whom have won Icoграда excellence awards during last decade. Persianissimo was first displayed at the Fort Collins Museum of Contemporary Art - 28 posters by 28 Iranian designers - as part of the 16 Colorado International Invitational Poster Exhibition in 2009 - hosted by Colorado State University. The exhibition is now part of the permanent collection there. Tirgan 2011 will be the largest Iranian festival outside Iran. The festival is rooted in ancient traditions that date back several millennia and include live performances, galleries, workshops, food, and a traditional bazaar.

Persianissimo uses the -issimo suffix from the Italian, and often borrowed in other languages, to signify the essential or highest form of the concept it describes.
